EMPLOYEE CAMPAIGN COORDINATOR GUIDE
FY 2020-2021
Thank you for your ongoing support of United Way of Central Georgia. Because of your leadership and the support from your organization, we had a record-breaking campaign this past year.

As we now head into the 2020-2021 campaign, UWCG and our community needs your leadership and support more than ever. With the COVID-19 pandemic severely impacting our daily lives there is no question this will be a campaign like none other in recent history. I am honored to serve as United Way Campaign Chair and I am asking you to join me in stepping up to embrace the challenges of this years’ campaign.

Local businesses have closed, unemployment rolls have swelled, and even more families now face food insecurity. Our community needs United Way now more than ever. In addition, while some are experiencing hardships for the first time, for others these new difficulties fall on top of the struggles they already are trying to overcome. For 98 years, United Way has been a cornerstone organization in our area. UWCG’s mission - to increase the organized capacity of people in Central Georgia to care for one another - could not be more fitting for the battles that lie ahead.

As an educator, I know the power of providing individuals with the knowledge, tools, and support they need to be successful in life and work. UWCG breaks down barriers and closes gaps to find lasting solutions for the needs of individuals and families in our region. During the past year, UWCG has positively affected the lives of 137,147 of our neighbors, and it is crucial this support continues while also reaching out to help those who find themselves needing assistance for the first time.

I look forward to working alongside you in this critical time. This is our home and our community, and what we do for others matters. United Way is essential to creating healthier communities yet much of its strength stems from each one of us lending our support.

We are our United Way! Let us unite and embrace this opportunity to be the good.
All for one, one for all!

Dr. Curtis L. Jones, Jr., Bibb County School District Superintendent
2020-2021 Campaign Chair, United Way of Central Georgia

WHAT IS AN EMPLOYEE CAMPAIGN COORDINATOR?

Employee Campaign Coordinators (ECC) are key to the success of every company’s United Way fundraising campaign. You serve as the connector between United Way and the employees of your company. With the materials and support we provide, you will educate your colleagues about United Way’s vital role in the community and provide them with an opportunity to give, advocate and volunteer with us. Whether you volunteered or were asked to take on this role, we appreciate you, and we are here to help!

WHAT IS A WORKPLACE CAMPAIGN?

The workplace campaign is crucial to supporting United Way. During your company’s campaign, employees make their annual pledge and participate in events to raise funds that support our work in the community. Lasting from a week to a month, workplace campaigns should be:

FUN
- We encourage you to set up events to promote the campaign and bring employees together virtually. Ideas for fundraising events are on Page 12.

EDUCATIONAL
- The most important reason to have a campaign is to raise awareness about United Way’s impact. You should use your campaign period to inform colleagues about United Way’s work through videos, digital materials and virtual meetings with your United Way resource development director.
- These items can be located in our toolkit at UnitedWayCG.org/Campaign-Toolkit or you can contact your United Way resource development director for assistance.

ENGAGING
- Running a workplace campaign not only benefits the community, but it can also improve workplace morale and employee engagement, which is as important as ever given the current situation. Giving employees the opportunity to give back through work is becoming increasingly important for workers and job seekers.
- Your effort and dedication to our work is appreciated more than you know. If this seems like a lot, don’t worry! We encourage you to set up a campaign committee to divide responsibilities throughout your organization, and remember that your United Way team is available to help every step of the way. Please don’t hesitate to ask for assistance or ideas.
WHAT WE DO

At United Way, we work to ensure that households can become stable and children have the support they need to thrive. We connect families to programs and services to help them meet their basic needs, like food, housing, health care and family finances. And we work to ensure that, starting at birth, families have the tools and support needed to make sure their children start school ready to learn and graduate prepared for success in life.

We help families get out of crisis — and stay out. Through strategic investment and innovative partnerships, we work with limited resources to help as many families as possible.

We tackle the root causes of our region’s problems, addressing long-standing challenges like a lack of child care access, low literacy rates and limited social services support. We work to strengthen institutions and make changes through policy and partnership.

We bring people together to create sustainable change. For more than 98 years, we have worked collaboratively with nonprofit, for-profit and government agencies to accomplish what no entity can do alone. We give change-makers avenues to make a difference through giving, advocating and volunteering. Together, we change lives for the better.

YOUR GIFT CHANGES LIVES

Your generosity funds work that makes change possible. You help ensure that emergency assistance is available for individuals and families when disaster strikes. RUNNING YOUR CAMPAIGN

PREP FOR SUCCESS

As you develop your campaign strategy, consider your company’s size and culture to find ways to engage everyone at all levels across all departments. Refer to our Virtual Campaign Playbook for more information.

1. Consider prior year results, number of employees and current business climate.

2. People like to see results! Showcase dollars raised in real time throughout the campaign and remind your colleagues of the impact their gifts will make.

3. Build a diverse team from all departments to help plan and track events throughout your company campaign. Divide and delegate duties to the members of the team.

4. Involve your CEO with the strategy to help:
   • Establish a campaign timeline, budget and fundraising goal.
   • Confirm your company’s corporate gift.

INSPIRE
Share the United Way story with all employees.

ASK
Ask everyone to give.

THANK
Thank everyone for giving.
Prior to the campaign kickoff, send emails to employees to educate and motivate them to give. You can download templated emails located in our online campaign toolkit that can be customized to come from your CEO.

Consider hosting a company-wide rally with presentations and CEO appearances. This can be facilitated in-person or virtually.

As the ambassador for United Way, you can help your colleagues understand the importance of their gift. We have created several assets to communicate the value of United Way’s work in our online toolkit at UnitedWayCG.org/Campaign-Toolkit including:

- Videos
- Posters
- Sample letters
- Brochures

You can share this information during presentations and via your employee communications, such as intranet, voicemail, announcements, bulletin boards, email, management endorsement letters, newsletters, paycheck stuffers and social media.

Be sure to encourage colleagues to follow us on Facebook, LinkedIn and Instagram to stay updated.
Identify executives and/or employees giving $500 or more. There are several strategies to enhance their giving experience through Step-Up programs or affinity group engagements:

- Ask retirees to make a planned gift.
- Set an average gift goal for your company and incorporate an incentive.
- Hold a special leadership solicitation/recognition event.
- Include names of leadership donors on the intranet/newsletter/etc. (with their permission).
- Set participation rate as a company goal.
- Hold a raffle for everyone who donates (prime parking spots, days off, gift cards, etc.).
- Hold competitions between stores/branches/locations/departments based on participation rate.
- Offer a casual dress day to everyone who donates.
- Offer an opportunity to win United Way swag.
- Host a wrap-up party and thank everyone who participated.

The No. 1 reason people do not give is because they are not asked! So please ask everyone. United Way believes that giving is a personal decision. Make sure that everyone has the opportunity to learn about how United Way changes lives and how each contribution drives our mission forward.

Start at the top – ask company leadership to set the example by making their contributions early.

Remember to include off-site and remote employees and highlight corporate support, especially if your company has a program in place that matches employee donations. You can make the ask:

- Personally
- At campaign events
- At staff meetings
- At leadership events
- Via email and social media

Ensure that your campaign team has the opportunity to speak with all employees.

- Keep regular totals and give progress reports to your CEO, team, organization and your United Way resource development director.
- Publicize campaign results throughout the organization.
- If your campaign takes place in person, make sure that pledge cards are filled out and signed, and that the total amounts are accurate. Give completed report envelopes, including signed pledge forms and raffle tickets, to your United Way resource development director. If your campaign takes place virtually, give digital copies of these items to your United Way resource development director.
THANK

It is just as important to officially close the campaign and thank people as it is to begin the campaign.

- Thank employees for their participation, time and support individually through a CEO recognition letter.
- Recognize your team and others who volunteered their time.
- Publicize your results via email, voicemail, intranet, newsletters, social media, etc.
- Celebrate your success.

Inform employees of any company privacy policy that does not allow United Way to contact them.
TIPS & TRICKS

It is critical that your organization hosts a campaign kickoff that includes a presentation from a United Way representative to educate employees about the work we do. This can be done in as little as 10 minutes and effectively introduces employees to the campaign and the organization.

FUNDRAISING IDEAS

Every workplace campaign is different. Yours can be shaped around your organization’s culture. This year’s campaign may be different, but that doesn’t mean it can’t be fun! Try out some of these in-person and virtual fundraising ideas to get your employees excited about the campaign. For the complete list, visit our website: UnitedWayCG.org/Campaign-Toolkit.

PARKING FOR PLEDGES
Offer numerous prime parking spots through a silent auction or a raffle to donors who make gifts.

HOST A TRIVIA CONTEST
Have employees team up and compete against one another in a trivia tournament bracket on Zoom. Teams buy tickets to participate and you can sell lifelines (e.g., 5 seconds to look up answer, ask a friend) to raise extra funds.

DRESS UP DAY
Choose a theme and have employees dress up at home and post photos on social media to spread awareness about United Way and the campaign. Be sure to include a hashtag!

BE THE GOOD CHALLENGE
Have your CEO set the tone by performing a good deed like a virtual volunteer opportunity and then tagging a colleague to follow the lead. Then, that colleague tags a co-worker to do something good for someone else, and so on.

FIT FUNDRAISING
Host a virtual run, golf tournament, free throw contest or jump rope contest. Have participants submit videos and scores and give a prize to the winner. These are all fun, easy and healthy ways to contribute to United Way.

TALENT SHOW
Host a virtual talent show on Zoom and learn about the secret talents your employees have. You can also host online galas, open mic nights, dance parties or other entertainment events. Or line up virtual performances from your most talented team members who play an instrument, sing, dance, do comedy etc. Charge “admission” to view and vote on the winners with an extra donation.

EXECUTIVE COSTUME CONTEST
Employees vote with their dollars for the executive they’d most like to see in a costume (e.g., pink bunny). The “winning” executive dresses up for a companywide Zoom call to announce the amount of money raised through the campaign.

ONLINE AUCTION
Offer a chance to win donated items, such as weekend use of a management leased vehicle, virtual lunch with an executive, sports collectibles and more.

ONLINE LEARNING
Find professional volunteers or colleagues to teach employees new skills, like cooking or flower decorating.
FREQUENTLY ASKED QUESTIONS

This guide is designed to help you answer frequently asked questions about giving to United Way. Questions and concerns are a natural part of the process of asking people to give, so they should be regarded as signals that you are doing your job. Remember to address all concerns. If you encounter any questions that you can’t answer, please contact your United Way resource development director.

Who runs the United Way of Central Georgia?
United Way of Central Georgia is governed by its Board of Trustees, a diverse group of volunteers from across Central Georgia. They determine policy and oversee every aspect of the organization. Volunteers determine how contributions should be distributed to the local partner agencies. Professional staff provide support to volunteers, plan and organize the annual fundraising campaign and manage day-to-day activities.

What is United Way of Central Georgia's relationship to United Way Worldwide?
United Way Worldwide is the national voluntary membership organization (trade organization) for over 1,400 independent local United Way organizations across the country and the globe. United Way of Central Georgia is an independent, autonomous organization governed by its own Board of Trustees, and headed by its own president. United Way Worldwide does not manage, control, direct, set policies for or govern United Way of Central Georgia.

There are a lot of program partners out there. Why should I give to the Community Impact Fund?
United Way volunteers provide accountability for donations to United Way. Simply put, United Way takes the guesswork out of giving and makes sure your dollars will be directed to local agency programs and community initiatives that attack the root causes of community problems, such as nurturing children and youth, increasing people’s economic self-sufficiency, encouraging citizens to get involved and making families stronger. Trained, knowledgeable volunteers - people who live and work in our community - invest your gift to United Way.

Why do United Way funded program partners do their own fundraising activities and charge for services?
The United Way fundraising campaign does not cover any agency’s entire budget. United Way funds are used for programs and services. Therefore, portions of an agency’s budget need to be funded by other means, such as government contracts, fees and supplemental fundraising activities.

How does an organization become a United Way member program partner?
To qualify for consideration as a United Way program partner, an agency must be recognized by the IRS as a 501(c)3 nonprofit organization; led by a volunteer Board of Directors and provide human services to residents with United Way of Central Georgia’s regional operating territory. Greatest consideration for membership is given to agencies whose programs align with United Way of Central Georgia’s targeted program priorities such as Early Childhood Development, Youth Development, and programs for Families and Seniors. Any agency that meets United Way of Central Georgia’s basic requirements for membership consideration, believes it is providing services that align with United Way’s priorities and does not duplicate an existing program partner should contact Tammie Collins at (478) 621-7795 to discuss partnership possibilities.

**Are donations to United Way tax deductible?**

Your gift is tax deductible if you itemize your deduction. However, a receipt is not necessary unless you pay $250 or more at a time.

**How much of my gift reaches the agencies?**

Eighty-six cents of every dollar go directly to programs and services. Only 14 cents are used for administrative and fund-raising costs. The Better Business Bureau recommends charities limit these costs to 35 cents on the dollar, which makes United way very low compared to the national requirements.

**Who decides how much money each program partner receives?**

Volunteers become knowledgeable of program partners through agency service plans, site visits, and presentations to recommend funding levels. Annually, over 60 volunteers are recruited and assigned to review panels that are organized around major service categories. After having reviewed service plans, budgets and listened to presentations given by the program partner, these panels recommend funding levels to United Way's Executive Committee and to the Board of Trustees, who make final decisions on the allocations.

**Does United Way pressure people to give?**

No! giving is a personal decision. United Way has a strong policy against coercion. Whether a person gives to United Way and how much the person chooses to give is up to the individual. United Way of Central Georgia does not support the use of threats or coercion of any kind.

**I heard about someone who needed help, but didn’t receive it, Why?**

Some partner programs do not offer a specific service that is requested and may refer the person to another agency. Sometimes it’s necessary to put people on a waiting list simply because there aren’t enough funding resources to go around.
